APPLICATION FOR SPECIAL LICENCE

Applicant's Name: _____

Address: _____

As the occupier of the above address I am applying to the Kapiti Coast District Council for permission to keep a third dog on my property.

I presently have two dogs that are currently registered with the Kapiti Coast District Council in accordance with the requirements of the Dog Control Act 1996, and if permission is granted to keep a third dog, the dog will be registered with the Kapiti Coast District Council by no later than ____ / ____ / 201__.

I am aware that Officers of Kapiti Coast District Council will approach all my immediate neighbours for approval for me to keep a third dog. This approval will be based on the fact that the increase of dog numbers will not become a nuisance to them and their families. The cost of this permit is \$52.00.

I understand that my property will be inspected by an Animal Control Officer to assess the suitability of the property for the keeping of three dogs.
