Geographic Information System - Terms Of Use

Welcome to the Kapiti Coast District Council Geographic Information System (GIS) mapping page. Our GIS Web Mapping tool can display Planning Maps, Service Utility Maps, Hazard Maps and various other Miscellaneous Maps relating to the District.

Please note that some data is restricted to display only within certain "Zoom Ranges". This is done to speed up the loading of the maps into your web browser, it also means that the closer you zoom the more information you will see.

The maps provided on this site are not intended as a replacement for a Land Information Memorandum (LIM) Report. Users should contact the KCDC Consents and Compliance Division in person to view files relating to a property and to discuss any proposed activity in respect of a particular property.
