

Keep our beaches beautiful

Follow the rules:

- don't remove more sand, stones or driftwood than you can carry
- respect the dunes and don't walk, ride or drive in these areas where access is restricted
- keep dogs under control at all times to preserve wildlife, and prevent nuisance to others
- use signposted beach accessways
- respect rāhui (harvesting restrictions).

Reporting offences

Council Officers and local Police actively patrol beach areas, but can't be everywhere at once. If you see any questionable driving on the beach, call Police (*555) immediately.

For any other issues, please notify the Council.
