MATTERS UNDER ACTION REGISTER
OCTOBER 2017**

Matters Under Action – Short Term	
Item	Progress
Review of the Pharazyn Reserve Management Plan.	<p>The following recommendations were accepted by Council on the 28 September 2017:</p> <p>That Council commence notification of, and consultation on, its intention to pass a resolution declaring the five land parcels comprising Pharazyn Reserve to be local purpose reserve in accordance with Part 2, Section 14 (2) of the Reserves Act 1977, as follows:</p> <ul style="list-style-type: none"> • Lot 4 DP 29919, Pt Lot 3 DP 20118 and Lot 1 DP 20118 local purpose reserve (recreation and wildlife habitat) • Lot 2 DP 85459 local purpose reserve (recreation) • Lot 4 DP 85459 local purpose reserve (foreshore protection).
Ngāwhakangutu Reserve Management Plan (Tasman Lakes): <ul style="list-style-type: none"> • Updates on development, funding and other issues • Formation of a Friend's Group 	<p>Rob Cross met with some residents on 28 July 2017 and provided them with information on forming a friends group. They will contact Rob when they would like further information.</p>
Emergency Rail Crossing	<p>The Operations and Finance Committee approved the construction of an emergency vehicle access off SH1 north of the Waikanae River Bridge to Waikanae East at in the 2018/19 financial year.</p>
Updates on Expressway	<p>M2PP's Community Liaison Officer advised:</p> <p>Pavement works are planned on the Kāpiti Expressway over the next couple of months, and motorists will be kept updated along the way. The root cause of the surface fatiguing/failure is currently under review but appears to be related to penetration of water through the membrane seal below road the surface.</p> <p>NZTA are currently undertaking an independent review of the noise mitigations on the Expressway, findings will be out mid-late November and will be publically available on the NZTA - M2PP website.</p> <p>The low-noise surface along the northern section of the Expressway is still programmed to occur before Christmas of this year (weather permitting).</p> <p>A noise camera will be utilised to identify drivers utilising engine brakes, and assist with liaison/education.</p> <p>Signs will be placed along the Expressway requesting that drivers limit their use of engine brakes.</p> <p>Options for reducing noise from bridge joints are currently being reviewed.</p>
Weggery Reserve – No dog on leash signs at the Otaihanga Bridge Entrance	<p>A review of ON/OFF/ lead and NO DOGS area in the Kapiti region is about to begin as part of wider Bylaw and Policy review.</p> <p>All signage would be assessed, updated and increased in areas where further signage is required.</p>

Matters Under Action – Short Term

	<p>Staff have been doing regular patrols in that area and will continue to do patrols in that area of Weggery Drive/Otiahange Reserve.</p> <p>The Animal Management Team have identified the following areas that would require more signage in future.</p> <p>1 x dog off lead sign (eastern track) 2 x No dogs allowed signs (western river entrance) and play area. 3 x dogs on lead signs one on the eastern entrance heading west, one on the sign post in front of the bridge and one on the north end of the bridge.</p>
Seat for Dr Clive Cameron	James Westbury will provide an update at the meeting and the Board are able to pass a resolution in regards to the funding of this.

Matters Under Action – Long Term

Item	Progress
