Item	Order Paper (* indicates paper attached)	Page
5	NOTICE OF MOTION – Shelly Warwick	
	That the Otaki Community Board:	
	Notes the NZTA Single Stage Business Case for Peka Peka connectivity and its decision not to approve the proposed investment; and	
	Notes the community have identified inadequacies with the Business Case but notwithstanding it shows that by not proceeding:	5
	Around 2300 vehicle movements a day between Waikanae and Peka Peka Interchanges will be prevented from using the purpose-buil Expressway and transferred onto Waikanae urban roads around high growth areas, with consequent adverse impact on safety and the environment (noise, emissions);	t 1
	Access times to and from south of Waikanae are increased for the Peka Peka and Te Horo communities; and	a
	Notes the community considers the costs for acceptable connectivity a Peka Peka are seriously overstated in the Business Case, the costs to the ratepayers of using local roads have not been considered, and the value for money from leaving this traffic on the Expressway is likely to significantly exceed the value gained by attempting to accommodate i on local roads;	9
	Notes it understands that the District Council now considers it can mitigate any adverse impacts of development from the investment by way of the RMA; and therefore in light of 1 -4	n Y
	Supports in principle investment in connectivity at Peka Peka to make best use of the Expressway investment and avoid the costs to the community of using local roads; and to that end:	e e
	<u>Supports</u> ongoing work by the community on a Business Case the addresses the inadequacies in the NZTA's Case;	it
	Supports taking steps to have the proposed investment included as high priority in the Regional Land Transport Plan; and supports taking steps to protect any land from premature disposal by NZTA;	a 9
	Recommends to the District Council that it too:	
	Agrees to Resolutions 1 – 3;	
	Confirms Resolution 4;	
	<u>Agrees to</u> Resolutions $5-7$ and <u>directs the CE</u> to take the necessar steps to give effect to this support.	у
