PRESENTATION: CYCLIST SAFETY ON ŌTAKI BRIDGE – NEW ZEALAND TRANSPORT AGENCY (NZTA)

Jessica Rattray (Senior Cycling Advisor) from NZTA spoke to the Committee. She passed on Steve James' (Wellington Safety Engineer) apologies.

Ms Rattray provided information on her role at NZTA and also information on the Cycleway configuration at the Ōtaki Bridge.

Questions and discussions included the following points:

- concerns around Cyclist safety on the bridge, including the area where trucks merge onto the State Highway from Winstones;
- the Board were not aware that this system was being installed at the Ōtaki Bridge and there has been no communication around this or even a briefing provided;
- there have been issues around the timing of the equipment arriving and also with the markings having to be done at the right temperature, this has held up the process;
- NZTA are able to produce reports on the activations that happen on the bridge, this could be provided to the Board;
- discussion around the Expressway and the revocation work that needs to be done;
- NZTA will be doing media communications this week to inform the Community about the system on the bridge;
- it was requested that the revocation process include this bridge and the safety issues that it has;
- Cyclists that are new to the area would not be aware of this system and how it works;
- often the lights are going and there are no cyclists in the area, can anything else activate them?
- the cost of this system was \$70,000.

PRESENTATION: PLAYGROUND UPGRADES

Alison Law (Parks & Recreation Manager) and Mark Hammond (Recreation Facilities Coordinator) provided an update on the playground upgrades in Ōtaki. The two parks that are being upgraded are Tasman Road Playground and Haruatai Park play space. It was noted that Te Horo's Dixie Street playground would also be upgraded.

Council staff will complete a letterbox drop to houses in the area and there will be information available at the two parks on the planned upgrades. Information will also be given to local community groups, schools and early childhood centres. There is a possibility of Council staff attending School Galas to distribute the information.

The Board were provided a copy of the timeline for these projects.

ŌTAKI BASKETBALL COURT (CS-16-1825)

Mark Hammond (Recreation Facilities Coordinator) spoke to this report to seek the Board's approval of a location to construct a one hoop basketball court in Ōtaki.

The two locations being considered are Marine Parade at Ōtaki Beach and Haruatai Park on Mill Road. Staff have engaged with youth in Ōtaki to discuss possible locations for the Court and also have had discussions with the neighbour at Haruatai Park.

It has also been discussed that a basketball hoop from another Kāpiti park could be utilised at the beach location.

MOVED (Papps/Gaylor)

That the Ōtaki Community Board approves construction of a keyhole Basketball court on the lower level of Haruatai Park within the budget approved in the 2015 Long Term Plan and notes the exact location will be confirmed after further input from the young people of Ōtaki and the neighbouring property.

That the Ōtaki Community Board note that a basketball hoop from another Kāpiti park will be utilised at the beach location. Should the court location be developed in the future, the continued presence of the hoop would need to be considered at the time.
