**Request for Official Information responded to under the Local Government and Official Information and Meetings Act 1987 (LGOIMA) – reference: 5824099**

I refer to your information request we received on 5 September 2019 requesting the following:

- *Have any resource consents been issued in the last three years to allow election signs greater than the size and height limits in the Proposed District Plan?*
- *If so, who were these resource consents granted to, and what locations do they apply to?*

**Council response regarding your request**

Our Resource Consents team have looked into this and confirm that Council has not issued or monitored any resource consents for election signs exceeding the height and size requirements within the last three years.
