Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)

Thank you for your request for information which was received via email on **7 July 2023** as a transfer from Waka Kotahi. Waka Kotahi transferred part of your request to Kāpiti Coast District Council, namely questions 1 and 2 which are answered below.

1. *The total revenue accrued from fines for vehicle with current registration failing to display vehicle registration for each of the years 2021, 2022, and 2023.*

The most relevant infringement offence notice relevant to your request for information is for “Current licence label not affixed in prescribed manner”.

Please see the table below which outlines the revenue received. Line two relates to fines that were waived.

	19/20	20/21	21/22	22/23	Total
Revenue from fines issued	\$600	\$600	Nil	\$600	\$1800
Fines that were waived	\$200	\$200		\$200	\$ 600

2. *The total revenue accrued from fines failing to display vehicle registration for each of the years 2021, 2022, and 2023.*

Please refer to the above question. The closest infringement offence notice we have issued in relation to your request is for “Current licence label not affixed in prescribed manner”.

Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.

We would ordinarily issue more infringements for vehicles being unregistered.

We trust this is of assistance. If you require any further information, please contact Katherine McLellan on Katherine.mclellan@kapiticoast.govt.nz.
