**Shelly WARWICK**

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area. I am also standing for Otaki Community Board.

I am a mother of four, born and bred in Otaki, returning from abroad 10 years ago to raise my family.

I am a registered nurse with a Bachelor Degree.

I have been involved in many committee's to do with my family and community interests. Over the past many years I have been involved in co-ordinating successful road safety campaigns with my community involving KCDC & NZTA.

I would like to see council take more responsibility for expenditure of ratepayers money and utilize revenue from ratepayers more efficiently, concentrating on core responsibilities: Roading, Infrastructure, Water and Waste, and Community Health and Wellbeing.

I believe we need to ensure our community are getting best value for ratepayers money when council are awarding contracts for asset management and improvements, and would like to be part of ongoing reviews of how our dollars are spent.
