

KAPITI COAST DISTRICT COUNCIL
Waikanae Ward
Electing 1 Councillor

Iride MCCLOY

My principal place of residence is in the Waikanae Ward area.

Having lived here since childhood, I've always felt passionate about the Kapiti Coast!

My frustration over Council's lack of progress is the catalyst for standing as a Waikanae Ward

Councillor. Waikanae is becoming a backwater as far as Town Centre Planning, Infrastructure and Development goes.

My successful business and community resume will be an asset for the progress of Waikanae. Whilst working for the benefit of the Kapiti Coast, I shall ensure Waikanae's needs will be addressed. I empathise with our diverse and growing population, including the young and elderly, both of which are paramount for our democratically structured future.

With the continual rise of rates and associated costs, decisions must be made, and my casting vote for our Library and many other proven successes, while Mayor of Kapiti, show that I am not afraid to take responsibility and make decisions - both important qualities in a successful advocate and councillor.
