

KAPITI COAST DISTRICT COUNCIL
Waikanae Community Board
Electing 4 Board Members

Margaret STEVENSON-WRIGHT

My principal place of residence is in the Waikanae Community Board area.

I have lived in Waikanae for three years- drawn here by the surrounding natural world and birdlife and the essential wrap around services available.

My voice within the Waikanae Community Board will champion open communication and truly integrated planning that holds Waikanae at its heart, and:

Draws together every group working tirelessly for the betterment of Waikanae

Assures at the practical level of footpaths and tar seal - a safe environment for the increasing number of people using mobility vehicles

Promotes dynamic growth around Mahara Place

Realises a permanent second access across the rail to Waikanae East

Identifies a sustainable solution to parking congestion

Optimises changes that the expressway will bring

I offer collaborative open communication, effective experience in managing consultation, the development of submissions, the assessment and monitoring of funding bids and applications - and an understanding of the processes of local Government.
