---

**Jonny BEST**

My principal place of residence is in the Paraparaumu-Raumati Community Board area.

A Kapiti resident for over 25 years, I live in Raumati with my wife and 3 children.

Qualified in the building and construction trade, I currently work as a Training Advisor/Assessor for the Building and Construction Industry Training Organisation. I am seeking re-election to the Paraparaumu-Raumati Community Board, having served my second term. I have this term also chaired a community liaison group for the M2PP expressway project, seeking positive outcomes for affected residents.

The Kapiti Coast is great place to live for my kids - I wish to continue making a contribution to the future of our district to ensure it remains this way.

I am a strong supporter of Community Boards. The role of a Community Board is to advocate and represent the views of the community. I believe in grass roots democracy and believe that the best results for the community come from consultation and collaboration.
