

KAPITI COAST DISTRICT COUNCIL
Paraparaumu-Raumati Community Board
Electing 4 Board Members

Bernie RANDALL

My principal place of residence is in the Paraparaumu-Raumati Community Board area. I am also standing for Paraparaumu Ward.

Will you share my vision for the future of Kapiti? We must do what we can with the finance available to enhance the environment we all

enjoy.

A tight control on the level of rates is vital so they are kept below the level of inflation. Council must keep within budget. I am opposed to any increases in water meter charges.

We must promote tourism ventures, our walkways, cycle tracks, sporting events. I support beachfront improvements, well equipped playgrounds and upgrade and maintenance of public beachfront toilets.

Some areas require immediate flood protection measures. I will proactively push for these to be resolved in an open consultative manner.

With years of commercial legal expertise, business activity, and local government experience, I know an independent review of council expenditure is overdue. I have the knowledge to ensure it is thorough, eliminates waste and that efficiencies are identified.
