**David SCOTT**

My principal place of residence is in the Paraparaumu-Raumati Community Board area. I am also standing for Mayor and At Large - Districtwide.

A practising J.P. with a career in teaching in our region and lecturing at Auckland and Victoria University in NZ Education History and Police studies, LRAM. I have given support to 'Pop in' centre; Waikanae Music Society, and am on the Senior Citizens committee. I have served on Greypower NZ Board for four years. I drive for 'Kapiti Carers' as a volunteer and have completed two terms on Kapiti Council. I serve on the 'Abbeyfield' committee (homes for elderly) and COGs. We require an overnight stay medical facility in Kapiti for local emergencies such as strokes, heart attacks, ectopic pregnancies.

Parking around malls and community amenities requires improvement (so you don't have to circle round libraries or shops to park). An alternative route to the beach taking traffic off Kapiti Rd is required. We need a Paraparaumu resident (40yrs) who 'listens' and improves your life.
