FUTURE KĀPITI: LONG TERM PLAN 2015-35 (SP-15-1519)

Corporate Planning and Reporting Manager Kevin Black, Financial Controller Mark de Haast and Group Manager Strategy and Planning Stephen McArthur spoke to this item, and provided a powerpoint presentation. The following points were made:

- There were three components to the Long Term Plan (LTP) to be adopted in the following order to meet legislative requirements: the draft LTP, the draft development contributions policy, and the draft Consultation Document (CD);
- Due to an amendment to the Local Government Act councils were no longer allowed to consult on the LTP, but on the CD instead (the LTP would still be available for reference and review);
- The Significance and Engagement Policy which was adopted by Council in November 2014 would also be consulted on at the same time. Mr De Haast explained all the appendices in detail;
- Appendix 8 – replacement pages were tabled reflecting the final draft Rates Revenue Requirement approved by Legal;
- Appendix 11 - user fees and charges - amendments were tabled and the differences explained;
- The timeline was outlined, and this included a formal launch of the CD on 19 March. The consultation period would run from 20 March to 24 April 2015. Hearings would occur in the middle of May;
- The proposed average rates increase for 2015/16 was 4.2% and the 20 year average was forecast to be 3.3%;

Staff were congratulated on all their hard work to get the documents to this stage and on the quality of the finished product.

FUTURE KĀPITI: CONSULTATION DOCUMENT (CD) (SP-15-1526)

Corporate Planning and Reporting Manager Kevin Black spoke to the item, explaining the rationale and content of the CD. Copies of the draft were circulated and a powerpoint presentation shown.

- Audit required Council to have adopted the CD before they would give their final clearance.
- Te Whakaminenga o Kāpiti had been briefed on the CD at Tuesday's meeting and members were very impressed with the document.
- The distribution plan would include hard copies but the document would also be available digitally and would be publicised at the forthcoming Sustainable Home and Garden Show (21-22 March) and at Coastlands and a series of Open Days throughout the District.
- This was the first time Council had produced a CD to meet new legislative requirements and if the CD facilitated community involvement and comment then it had been worthwhile.

GOVERNANCE STRUCTURE - CHANGES TO COMMITTEE MEMBERSHIP (CORP-15-1513)

Democracy Services Manager Vyvien Starbuck-Maffey introduced the report explaining that Cr Michael Scott had replaced Tony Lloyd as Ward Councillor and so there were a number of appointments to be confirmed including an appointment back to the Waikanae Community Board.

The opportunity had been taken to also broadly review committee membership so the report included a number of other proposals, including changing the Grants Allocation Subcommittee to a Committee in recognition of its workload. The Mayor explained that he had proposed Cr David Scott as the Deputy Chair of the Property Subcommittee but he had declined the appointment and so Cr Gavin Welsh would retain that position.

WAIKANAĒ COMMUNITY BOARD BY-ELECTION – ORDER OF CANDIDATE NAMES ON THE VOTING DOCUMENTS (CORP-15-1514)

Democracy Services Manager Vyvien Starbuck-Maffey introduced the report explaining that because former Community Board member Michael Scott had been elected to the Ward Councillor position that then created another extraordinary vacancy on the Community Board which could only be filled by another by-election. Accordingly Councillors were being asked to consider the order of candidate names on the voting papers. Nominations opened on 3 March and would close on 31 March and to date no nominations had been received.

There was debate over the options of true random order versus alphabetical with the following points being made:

- True random was the option recommended in the report by the Justice and Electoral Select Committee and was the fairest option;
- A by-election was the ideal time to start educating the public about the change from alphabetical order which had been used for at least the last four triennia;
- On the other hand because alphabetical order had been repeatedly used in the past, voters were used to it, and receiving two different-looking voting papers in the same household could be confusing;
- It would be better to wait until the triennial elections in 2016 to change the order option to true random as there would be a better opportunity to conduct an awareness campaign then.

MOVED (Welsh/Gurunathan)

That Council resolves that the names of the candidates for the Waikanae Community Board by-election on 27 May 2015 are to be arranged on the voting papers in true random order of surname.

A division was requested:

For the motion: Cr Welsh, Cr Gurunathan, Cr D Scott, and Cr Elliott

Against the motion: the Mayor, Cr Gaylor, Cr Ammundsen, Cr Holborow, and Cr Bell
