RISK MANAGEMENT FRAMEWORK (CORP-15-1444)

Mark de Haast introduced Garry Butler a consultant with experience in the risk and assurance sector who had been working on the Risk Management Framework. Mr Butler spoke to a presentation that detailed how focus, facilitation and engagement on strategies, policies, procedures and programmes were developed in identifying risks including:

- accepted principles and guidelines;
- main Council benefits from an integrated risk management framework;
- risk management maturity; and
- implementation plan.

Wayne Maxwell, Group Manager Corporate Services advised that on approval of the implementation of the Framework the next step would be to interview all the key stakeholders and from that to develop an implementation plan. Regular progress reports would be given to the Subcommittee.

Members were advised there were no financial implications in this report as existing budgets would be used and understood that if this was to change it would become part of the Annual Plan.

Members reiterated that the Risk Management Framework would be an investment not a cost and requested tangible evidence that there would be a return on the implementation of the Framework.

MOVED (Cardiff/Mayor)

That the Audit and Risk Subcommittee endorses the implementation of the proposed integrated risk management framework.
