

**Chairperson and Committee Members**  
PARAPARAUMU/RAUMATI COMMUNITY BOARD

19 FEBRUARY 2013

Meeting Status: **Public**

Purpose of Report: For Decision

**TIME LIMIT RESTRICTIONS ON CAR PARKING SPACES  
OUTSIDE 170/172, 174 AND 176 RAUMATI ROAD**

**PURPOSE OF REPORT**

- 1 This report seeks Community Board approval to create new time-limits for four car parking spaces located outside 170/172, 174 and 176 Raumati Road (for details, see Attachment 1).

**SIGNIFICANCE OF DECISION**

- 2 The recommendations in this report do not trigger the Council's significance policy.

**BACKGROUND**

- 3 Short-term parking for the drop-off and collection of children at the ABC Childcare Centre located at 174 Raumati Road, Paraparaumu, is limited to two 10 minute time-limited parking spaces. As a result of this, traffic movements outside the Childcare Centre in the mornings and afternoons have, particularly recently, become congested and potentially unsafe. Four other long-term parking spaces in the vicinity of the Centre are available, but are often occupied by all-day parkers.

**CONSIDERATIONS**

- 4 Four nearby 'time-limit parking spaces' is a low-cost solution that will cause minimal overall impact on other people intending to park in the area. It is proposed that the time-limit will only be in effect from 8am to 4.30pm, Monday to Friday, therefore not affecting evening and weekend parking. The parking spaces that will be limited are the four located outside 170/172 and 176 Raumati Road. Signposts and signs will need to be installed to notify of the time-limits.
- 5 Parking is constrained along this section of road. Realistically, it will not be possible to provide additional parking provisions in this location beyond those proposed in this report.
- 6 None of the all-day parkers presently using the spaces are users of the Kapiti Coach Tours 'Kapiti Commuter' service which stops around 50m east of 174 Raumati Road.

## Financial Considerations

- 7 The cost to Council of the necessary signs and signposts is expected to be in the order of \$800 and can be accommodated from the 2012/2013 road maintenance budget.

## Legal Considerations

- 8 There are no legal considerations.

## Delegation

- 9 The Community Board has authority to approve or reject officer recommendations relating to all traffic control and signage matters, in relation to existing local roads within the Community Board's area, except for changes to speed restrictions on local roads. (The latter power has been delegated to the Regulatory Management Committee).

## Consultation

- 10 The neighbours to the ABC Childcare Centre, at 170/172 and 176 Raumati Road have been consulted, and their submissions are attached to this report. Both neighbours were supportive of the initiative. Further to feedback from the Kingdom Hall (176 Raumati Road), minor adjustments have been made to the recommended parking bay line markings.

## Publicity Considerations

- 11 The public will be notified prior to works commencing on site.

## RECOMMENDATIONS

- 12 That the Paraparaumu/Raumati Community Board approves the 10 minute time-limiting of four parking spaces outside 170/172, 174 and 176 Raumati Road, as shown on Attachment 1.
