MATTERS UNDER ACTION
As at 27 August 2013

Matters Under Action					
Item	Date Raised	Target Date	Matter	Responsible Officer	Action/Progress
1.		October 2013	Beach Road/ State Highway 1 intersection	Roading Asset Manager	NZTA would not approve of signage re: CCTV surveillance at the intersection
2.	27/09/11	October 2013	Tilley Road sports field	Roading Asset Manager	In its Board meeting of 16 July 2013, broken yellow lines at the end of Tilley Road were approved and this would be undertaken when the weather improved
	27/11/12	October 2013	Ames Street speed humps / carpark	Roading Asset Manager	In its 16 July meeting, the Board approved broken yellow lines and improved signage at the Ames St/ SH1 junction. If the carpark went ahead, additional speed humps would be considered for safety reasons for the carpark entrance. Ames Street carpark proposal was not supported by Iwi. Alternative solutions were being investigated for further community consultation in late September (date to be confirmed)
3.	29/1/2013	October 2013	Wellington Road – monitoring	Roading Asset Manager	The synthite square work is being programmed – shifting school zone sign has been assessed – the school has formed a working group re: gateway treatment – once all installed, monitoring would begin – the parent group has been fully informed
4.	29/1/2013	October 2013	Coastal protection upgrade	Coastal & Stormwater Asset Manager	A <i>'local experts'</i> workshop was planned for the end of September and would be fed back in a report to the Board
