

**CORPORATE BUSINESS COMMITTEE
MATTERS UNDER ACTION
AS AT FEBRUARY 2013**

Matters Under Action				
Item	Date Raised	Action Required	Progress	Estimated Date of Completion
Water Meters	15/11/12	Members requested that ' <i>positive stories on quality assurance using satellite technology and separately on leaks detected</i> ' should be discussed with Kapiti News and other Newspapers including Dominion Post and not just Kāpiti Observer	The issue of water leaks and benefit of meters were covered in May, August and November. The latter was specifically linked to Council's new GPS technology. Further releases on the issue are planned for both local media and the Dominion Post.	Completed
Water Meters	15/11/12	Members were interested in more information on repair costs when leaks are detected.	Some information has been gathered from property owners but not enough at this point to make a positive story. Press coverage will be sought once enough information has been gathered.	Completed
Economic Development	15/11/12	Preparing and implementing the Māori Economic Development plan – where is it and when does it start?	Group Manager, Strategy & Partnerships will update Members at the Environment & Community Development Committee (ECD) on 21 February.	Completed
Economic Development	15/11/12	<i>New staff position to focus on value add projects in the food and beverage sector and health and retirement and construction sectors.</i> Members requested information on the situation of this position.	Group Manager, Strategy & Partnerships will update Members at the ECD meeting on 21 February.	Completed
