Withdrawal of parts of the Proposed Kapiti Coast District Plan 2012

Public Notice is hereby given, in accordance with Clause 8D of the First Schedule of the Resource Management Act 1991, that at a meeting held on 13 April 2017 the Kapiti Coast District Council resolved to withdraw parts of the Proposed Kapiti Coast District Plan 2012 as follows:

- Rule 4A.2.1
- Rules 4A.3.1, 4A.3.2 and 4A.3.3
- Rule 4A.4.2
- Rules 4A.5.1 and 4A.5.4
- Policy 3.14

Reasons for withdrawal:

Parts of these 8 provisions had been withdrawn previously in 2014, and those partial withdrawals resulted in a change to the meaning of the remaining provisions. The reason for these withdrawals is to remove the provisions in their entirety, in order to address the direct and consequential implications of those earlier partial withdrawals.
