

KAPITI COAST DISTRICT COUNCIL
Paraparaumu Ward
Electing 2 Councillors

Fiona VINING

My principal place of residence is not in the Paraparaumu Ward area. I am also standing for Paraparaumu-Raumati Community Board.

I moved to Kapiti twelve years ago and have two children attending school here. My experience as a lawyer in a multinational accounting firm, a government department, and a small local firm has assisted me as the current Chair of the Paraparaumu/Raumati Community Board.

My focus is on results, not politics. Building constructive, positive relationships between Council and you, the community it serves. I will make commonsense approaches to decision making to achieve cost-effective, pragmatic solutions for our community. I believe criticism is most constructive when accompanied by solutions.

It's essential that Council spending is prudently managed. Kapiti has more elderly and more young residents than the national average. This means it's important to work hard to achieve a balance between the pressure to keep rates low and investing in the infrastructure necessary to plan for a positive future for our district. I love Kapiti and will serve it passionately.
