MEMBERS’ BUSINESS

(c) Matters of an Urgent Nature:

This item was brought forward to be dealt with earlier in the agenda.

Cr Howson introduced the motion.

MOVED (Howson/Holborow)

That this Council commits to pursuing the goal of carbon neutrality by 2025.

That council officers are requested to provide a report, as soon as practicable, on practical and sustainable steps that can be taken to achieve this goal.

That climate crisis issues in general, and carbon neutrality achievement by 2025 in particular, be considered as part of all future decision making, reports and recommendations of the Council.

CARRIED

The Chief Executive advised staff would report back on the steps that would need to be taken to refresh the existing approach. A process report would be prepared identifying how that could be undertaken and the cost. Given that the annual plan was being adopted in this agenda other work would need to be reprioritised in order for the report to be prepared.

Cr Elliott left the chamber at 10.20am and returned at 10.22am

REPORTS AND RECOMMENDATIONS FROM STANDING COMMITTEES AND COMMUNITY BOARDS (PP-19-764)

The report was taken as read.

MOVED (M Scott /Vining)

That Council approves the recommendation from the Waikanae Community Board:

That the Waikanae Community Board recommends that Council approves resumption of pond margin filling at Phrazyn Reserve.

CARRIED

MOVED (Cootes/Elliott)

That Council notes the following recommendations from Waikanae and Otaki Community Boards:

1. Notes the NZTA Single Stage Business Case for Peka Peka connectivity and its decision not to approve the proposed investment; and

2. Notes the community have identified inadequacies with the Business Case but notwithstanding it shows that by not proceeding:
a) Around 2300 vehicle movements a day between Waikanae and Peka Peka Interchanges will be prevented from using the purpose-built Expressway and transferred onto Waikanae urban roads around high growth areas, with consequent adverse impact on safety and the environment (noise, emissions);

b) Access times to and from south of Waikanae are increased for the Peka Peka and Te Horo communities; and

3. **Notes** the community considers the costs for acceptable connectivity at Peka Peka are seriously overstated in the Business Case, the costs to the ratepayers of using local roads have not been considered, and the value for money from leaving this traffic on the Expressway is likely to significantly exceed the value gained by attempting to accommodate it on local roads;

4. **Notes** it understands that the District Council now considers it can mitigate any adverse impacts of development from the investment by way of the RMA; and therefore in light of 1 -4

5. **Supports in principle** investment in connectivity at Peka Peka to make best use of the Expressway investment and avoid the costs to the community of using local roads; and to that end:

6. **Supports** ongoing work by the community on a Business Case that addresses the inadequacies in the NZTA’s Case;

7. **Supports taking steps** to have the proposed investment included as a high priority in the Regional Land Transport Plan; and **supports taking steps** to protect any land from premature disposal by NZTA;

8. **Recommends** to the District Council that it takes note of the information in the background material provided:

   a) **Agrees to** Resolutions 1 – 3;

   b) **Confirms** Resolution 4;

   c) **Agrees to** Resolutions 5 – 7 and **directs the Chief Executive** to take the necessary steps to give effect to this support.

MOVED (Holborow/Buswell)

That Council notes the following recommendations from Paekākāriki Community Board:

That the Paekākāriki Community Board recommend that Kāpiti Coast District Council commits to a programme to become carbon neutral by 2025, and to consider this urgently through the Annual Plan Process.

That the Paekākāriki Community Board ask Kāpiti Coast District Council to support the safety of streets as a Project outside the speed limit review programme and to note the information provided by the Paekākāriki School community.

That the Paekākāriki Community Board considers the current Paekākāriki village
road environment to be unsafe and requests Council to work with the Board and Community to address the matter urgently.
