Maclean Park Draft Management Plan including Development Plan

We've drafted a Management Plan for Maclean Park and we want to hear from you to find out if we've got it right.

Since November 2016 over 1,500 people, businesses and organisations have shared their ideas for Maclean Park. Using this feedback and working with our iwi partners, we've prepared a Draft Management Plan which we think captures the diverse needs of our community and allows for improvements to the park's main attractions over time. This includes a Development Plan for the park which outlines a framework for the long-term development of the park.

This is now the final opportunity for feedback on the plan. We would like to hear your thoughts on any aspect of the Draft Management Plan, including the proposed Development Plan.

Reference copies of the plan can be viewed at Council Libraries and Service Centres, or you can view a digital copy and complete an online submission at kapiticoast.govt.nz/maclean-park-refresh.

Submissions close Tuesday 3 October, 2017 at 4pm.

Draft Management Plan available for inspection - as a Recreation Reserve you are invited under s.41 Reserves Act 1977 to lodge written suggestions or objections to the draft management plan for Maclean Park by Tuesday 3 October 2017. A Draft Management Plan is available for inspection in terms of the Act on our website, at our district libraries and service centres. Submitters should state whether or not they wish to speak to their submission.

Introduction

It is clear from our earlier stages of consultation that people want Maclean Park to be "a destination for all; a place to meet, play, relax and connect with Kāpiti Island, our heritage and environment". We have prepared a plan for the management and development of the park that reflects the following design principles:

- destination / he tauranga
- play / takaro
- relax / whakatā
- water / te mauri o te wai
- movement / pai te haere
- ecology / te ao tūroa

Q1. With this in mind, do you think we have achieved this? (please select one answer)

- A. Absolutely, I substantially support this plan. (Go to **Q2**)
- B. Yes, I support most of what is proposed, with some minor changes. (Go to **Q3**)
- C. Not really, I think there are some fundamental things that need to be changed. (Go to **Q4**)
- D. Not at all, I think you are way off. (Go to **Q5**)

Based on your answer to Q1, please provide responses to either Q2, Q3, Q4 or Q5 in the text box below:

Q2.

(Only answer this question if you ticked A for Q1)

- What do you really like about the plan?
- What, if anything, would you want changed?
- Any other comments (optional).

Q3.

(Only answer this question if you ticked B for Q1)

- What do you like about the plan?
- Why do you want changes made?
- What changes would you want made?
- Any other comments (optional)?

Q4.

(Only answer this question if you ticked C for Q1)

- What are your major concerns?
- What would need to change to address these concerns?
- What, if anything, do you like about the plan?
- Any other comments (optional).

Q5.

(Only answer this question if you ticked D for Q1)

- What are your major concerns?
- What would need to change to address these concerns?
- Any other comments (optional).

(Please provide a written response to either Q2, Q3, Q4 or Q5 then go directly to Q6)

I am intrigued at the idea of "an older persons playground" and just cannot imagine what that will contain. Whilst all these suggestions have some merit my thoughts are with the "cost" of these luxuries, and in particular what extra amount is going to be added to our already too high rates. Being from Otaki and not a regular visitor to the Maclean Park area I would not be happy with any extra dollars put to me for something I don't use. Now if you were going to fix our local "Otaki" roads properly & our footpaths I would be all for it.

If this could double as a use for bikes for toddlers to use as well. Avalara park in Lanes Hutt have a great one it would have to be smaller than that I realise but it would be nice for under 5's to have a safe area to do this. The current path is used by walkers as well, which can make it hard being Removing Pavement Kiosk young ones use it as well. I think currently it is a wasted area in its current form, and would give more area to use for development of space that can be used by the community regularly.

It would be nice to have some things for them to do. If you are thinking in the line of exercise the Lanes Park has a great one that you could copy.

I see a fundamental change is required to the Draft Management plan for the Northern portion of the Park.

I believe we need to have an area of land allocated for a Small Iconic Bio Security Hub/Visitor Centre positioned to the south of Tikotu Stream.

We would need to include upgrading the Tikotu stream and providing a new pedestrian link way to the boat launching area.

We would need to include a wide pedestrian boardwalk linking the business district through Maclean Park.

Consideration should be made to relocating
vehicle access to back to northern
end of existing boating club building.

Maclean Park Draft Management Plan including Development Plan

Express
yourself
Kāpiti

We've drafted a Management Plan for Maclean Park and we want to hear from you to find out if we've got it right.

Since November 2016 over 1,500 people, businesses and organisations have shared their ideas for Maclean Park. Using this feedback and working with our iwi partners, we've prepared a Draft Management Plan which we think captures the diverse needs of our community and allows for improvements to the park's main attractions over time. This includes a Development Plan for the park which outlines a framework for the long-term development of the park.

This is now the final opportunity for feedback on the plan. We would like to hear your thoughts on any aspect of the Draft Management Plan, including the proposed Development Plan.

Reference copies of the plan can be viewed at Council Libraries and Service Centres, or you can view a digital copy and complete an online submission at kapiticoast.govt.nz/maclean-park-refresh.

Submissions close Tuesday 3 October, 2017 at 4pm.

If you do, we will contact you to arrange a time. Hearings will take place during the week of 16 October 2017.

Draft Management Plan available for inspection - as a Recreation Reserve you are invited under s.41 Reserves Act 1977 to lodge written suggestions or objections to the draft management plan for Maclean Park by Tuesday 3 October 2017. A Draft Management Plan is available for inspection in terms of the Act on our website, at our district libraries and service centres. Submitters should state whether or not they wish to speak to their submission.

Introduction

It is clear from our earlier stages of consultation that people want Maclean Park to be "a destination for all, a place to meet, play, relax and connect with Kāpiti island, our heritage and environment". We have prepared a plan for the management and development of the park that reflects the following design principles:

- destination / he tauranga
- play / takaro
- relax / whakatā
- water / te mauri o te wai
- movement / pai te haere
- ecology / te ao tūroa

Q1. With this in mind, do you think we have achieved this? (please select one answer)

- A Absolutely, I substantially support this plan. *(Go to Q2)*
- B Yes, I support most of what is proposed, with some minor changes. *(Go to Q3)*
- C Not really, I think there are some fundamental things that need to be changed. *(Go to Q4)*
- D Not at all, I think you are way off. *(Go to Q5)*

Based on your answer to Q1, please provide responses to either Q2, Q3, Q4 or Q5 in the text box below:

Q2.

(Only answer this question if you ticked A for Q1)

- a. What do you really like about the plan?
- b. What, if anything, would you want changed?
- c. Any other comments (optional).

Q3.

(Only answer this question if you ticked B for Q1)

- a. What do you like about the plan?
- b. Why do you want changes made?
- c. What changes would you want made?
- d. Any other comments (optional)?

Q4.

(Only answer this question if you ticked C for Q1)

- a. What are your major concerns?
- b. What would need to change to address these concerns?
- c. What, if anything, do you like about the plan?
- d. Any other comments (optional).

Q5.

(Only answer this question if you ticked D for Q1)

- a. What are your major concerns?
- b. What would need to change to address these concerns?
- c. Any other comments (optional).

(Please provide a written response to either Q2, Q3, Q4 or Q5 then go directly to Q6)

(Space continued on the next page)

[Cont. from previous page]:

I see a fundamental change is required to the Draft Management plan for the Northern portion of the Park.

I believe we **need to have an area of land allocated** for a Small Iconic Bio Security Hub/Visitor Centre positioned to the **south** of Tikotu Stream.

We would need to include upgrading the Tikotu stream and providing a new pedestrian link way to the boat launching area.

We would need to include a wide pedestrian boardwalk linking the business district through Maclean Park.

(Please feel free to insert your own paper to provide a longer submission to this section if required)

Please complete your submission overleaf before submitting.

Major concern scale of project and expense.

Council actually listen to the public!!

We offer all pay your wages!!!

The idea of spending in excess of

(Space continued on the next page)

\$200 million when debt

is already in excess of \$200 million.

(Cont. from previous page):

While I do believe a revamp would be an advantage - we already have an upgraded play area. The pond needs to be reduced in size and made a feature around the Kiosk.

A building ie for Doc which in the scheme of things only has to be a functional box ie spend no more than \$150K

STOP and listen to what Rate Payers are saying be open and transparent!!!

Where is the consultation what I am hearing so far is not a good look for Council and certainly not staff.

I Laurie Atchison see a fundamental change is required to the Draft Management plan for the Northern portion of the Park.

I believe we need to have an area of land allocated for a Small Iconic Bio Security Hub/Visitor Centre positioned to the south of Tikotu Stream.

We would need to include upgrading the Tikotu stream and providing a new pedestrian link way to the boat launching area.

We would need to include a wide pedestrian boardwalk linking the business district through Maclean Park.

Maclean Park Draft Management Plan including Development Plan

We've drafted a Management Plan for Maclean Park and we want to hear from you to find out if we've got it right.

Since November 2016 over 1,500 people, businesses and organisations have shared their ideas for Maclean Park. Using this feedback and working with our iwi partners, we've prepared a Draft Management Plan which we think captures the diverse needs of our community and allows for improvements to the park's main attractions over time. This includes a Development Plan for the park which outlines a framework for the long-term development of the park.

This is now the final opportunity for feedback on the plan. We would like to hear your thoughts on any aspect of the Draft Management Plan, including the proposed Development Plan.

Reference copies of the plan can be viewed at Council Libraries and Service Centres, or you can view a digital copy and complete an online submission at kapiticoast.govt.nz/maclean-park-refresh.

Submissions close Tuesday 3 October, 2017 at 4pm.

Draft Management Plan available for inspection - as a Recreation Reserve you are invited under s.41 Reserves Act 1977 to lodge written suggestions or objections to the draft management plan for Maclean Park by Tuesday 3 October 2017. A Draft Management Plan is available for inspection in terms of the Act on our website, at our district libraries and service centres. Submitters should state whether or not they wish to speak to their submission.

Introduction

It is clear from our earlier stages of consultation that people want Maclean Park to be "a destination for all; a place to meet, play, relax and connect with Kāpiti Island, our heritage and environment". We have prepared a plan for the management and development of the park that reflects the following design principles:

- destination / he tauranga
- play / takaro
- relax / whakatā
- water / te mauri o te wai
- movement / pai te haere
- ecology / te ao tūroa

Q1. With this in mind, do you think we have achieved this? (please select one answer)

- A. Absolutely, I substantially support this plan. *(Go to Q2)*
- B. Yes, I support most of what is proposed, with some minor changes. *(Go to Q3)*
- C. Not really, I think there are some fundamental things that need to be changed. *(Go to Q4)*
- D. Not at all, I think you are way off. *(Go to Q5)*

Based on your answer to Q1, please provide responses to either Q2, Q3, Q4 or Q5 in the text box below:

Q2.

(Only answer this question if you ticked A for Q1)

- a. What do you really like about the plan?
- b. What, if anything, would you want changed?
- c. Any other comments (optional).

Q3.

(Only answer this question if you ticked B for Q1)

- a. What do you like about the plan?
- b. Why do you want changes made?
- c. What changes would you want made?
- d. Any other comments (optional)?

Q4.

(Only answer this question if you ticked C for Q1)

- a. What are your major concerns?
- b. What would need to change to address these concerns?
- c. What, if anything, do you like about the plan?
- d. Any other comments (optional).

Q5.
