

KAPITI COAST DISTRICT COUNCIL
Paraparaumu-Raumati Community Board
Electing 4 Board Members

Bernie RANDALL

My principal place of residence is in the Paraparaumu-Raumati Community Board area. I am also standing for Paraparaumu Ward.

My active community engagement continues through my role as a member of the Paraparaumu-Raumati Community Board. This

has enabled me to champion issues important to our community such as the improvements to Maclean Park, and better flood protection measures. I continue to support our senior citizens through the Older Persons Council.

We must address grass root issues like after hours emergencies, coastal erosion and low carbon emissions.

I enjoy a range of community activities which keep me in close contact with residents. I have a Master's degree in Law and wide regional and governance experience.

Council spending must be prudently managed. Rate increases can be controlled through reduced council spending and driving an efficient public service. We must work with our business sector to create economic development and technological solutions.

I have the commitment and leadership qualities to continue to tackle these issues for the benefit of all Paraparaumu residents.
