

KAPITI COAST DISTRICT COUNCIL
Waikanae Community Board
Electing 4 Board Members

Geoffrey CHURCHMAN

My principal place of residence is in the Waikanae Community Board area.

I am a retired publisher aged 62 and with my wife have lived in Waikanae since January 2006. I have co-edited the waikanaewatch.org blog since 2015, have been a member of the Waikanae

Community Patrol and Menzshed.

The Community Board should be an interface between the township and the council and advocate strongly for community desires. I want the Board to be dynamic and pro-active not only with the Kapiti council, but also the regional council and arms of central government for things that affect Waikanae.

Too much council attention has been given to other parts of the District while Waikanae people have been hit hardest by Rates increases.

It's time for fairness! Debacles like the library show that elected representatives need to carefully scrutinize management, ask hard questions and not be content with fob-offs. Waikanae is open to opportunity for betterment.
