**Grace LINDSAY**

My principal place of residence is in the Paraparaumu-Raumati Community Board area.

I am passionate about young people, and encouraging them to get more involved in local politics and issues; working with the council to protect our environment and promote viable, pragmatic solutions for everyday problems; and advancing Culture and the Arts in our community.

I chose to stand because I recognise the importance of having a variety of representation. There are a lot of young people in our community, and everyone deserves to be heard.

I love my life here in Kāpiti, and will strive to serve this community as best as I can.

I have always lived here, with my family. I graduated from Paraparaumu College in 2016, went on a Rotary Exchange to France in 2017, and am currently in my second year at Victoria University, studying Law and International Relations.
