**Jill GRIGGS**

My principal place of residence is in the Waikanae Community Board area.

I live in Waikanae and love the diversity, the beauty and special ambience of our town.

My background is in developing and managing new businesses, large and small, and I would like

to turn my energies to developing the area I am so proud to call home.

My mediation skills enable me to balance conflicting interests and work with all types of people and I am a passionate advocate for the causes I believe in. I would work to ensure that Waikanae remains a vibrant part of the Kapiti Coast for its residents and visitors.

As new roads run through our district and Waikanae expands with residential developments, we have the challenge to take advantage of the new opportunities this brings without losing the unique attributes we all enjoy in Waikanae.

I would really appreciate your support.
