

KAPITI COAST DISTRICT COUNCIL
Waikanae Ward
Electing 1 Councillor

Michael Ferguson SCOTT

Independent

My principal place of residence is in the Waikanae Ward area.

As a long-term resident and Waikanae ratepayer, my business employs local people, supporting the local economy. Experience, enthusiasm and focus chairing OFC in the last Council, overseeing budget responsibility and sustainable council spending, together with being a strong voice on Waikanae issues at the council table.

Focus on core council activities is my legacy. Sustainability and affordability is vital for our community. I have ensured Waikanae has received priority in council resources; overseen the first stages of a vibrant town centre rebuild, ensured a temporary library in the town centre, championed wider community outcomes at the Beach, ensured the emergency rail crossing improvement; all while maintaining the uniqueness of Waikanae.

Spending control and deliverable projects has stopped the haemorrhage of ratepayers money on poorly costed, badly thought activities. I will only vote to spend your money when the project is properly cost, robustly researched and environmentally sound.
