

KAPITI COAST DISTRICT COUNCIL
At Large (Districtwide)
Electing 5 Councillors

Mike CARDIFF

Independent

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area.

I am a Kapiti Coast resident and ratepayer since 1975, a previous manager of Councils Parks and Recreation Department for 30 years, and a present Councillor of 9 years serving one term as

deputy Mayor.

I am currently chair of Councils Audit and Risk committee, an experienced RMA commissioner and committed to ensuring Council engages exact science on the issues of coastal hazards, climate change and waste minimisation.

I am aware sections within the community remain unhappy with some of our consultation process and I remain committed to further engage community participation to make informed decisions.

If re-elected I will continue to listen, support democratic process and continue challenging unreasonable decisions. I remain committed to reducing expenditure wherever possible; stabilising rates and have focus on debt repayment.

Kapiti provides many opportunities, is a wonderful place to live and when re-elected I will continue to represent views of the wider community.
