

KAPITI COAST DISTRICT COUNCIL
At Large (Districtwide)
Electing 5 Councillors

Murray FORSDYKE

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area.

I would like to participate more in the development and support of the community.

One way of me doing this is to join the council team as a District Councillor and contribute on

behalf of all of us ratepayers and others that have made Kapiti their home. I recently left a corporate career after twelve years as a people leader in the telecommunications industry to pursue helping small business's as a consultant alongside my automotive workshop working on classic cars and old motorcycle restorations. I won't be a "yes" man every time, but I will definitely be a "why" and "how" man. Being from an engineering background means I like to understand how things come to pass and be sure I have taken the best bet based on good quality data available to me. I have no personal agenda, just good decisions on good data.
