

### Directions/Minutes of Commissioners #3

#### Proposed Variation 3 – County Road Otaki Low Density Precinct – Kapiti Coast District Council

1. In accordance with the Panel's Minute #2, on the 6<sup>th</sup> December 2019 we received written material from Ms K Schufflebotham (submission #1 of 46 County Road), in relation to her request for the retention of the Rural Plains zoning as it applies to her property. A copy of that material was distributed to all parties.
2. The Panel records that none of the submitters provided any additional evidence in response to Ms Shufflebotham's request within the time frame set out in Minute #2.
3. Again, in accordance with the Panel's Minute #2, on the 20<sup>th</sup> December 2019 we received the reply statement from Ms Thompson, the section 42A reporting officer. A copy of that statement was distributed to all parties.
4. Having received all of the above material and having reviewed it, the Panel does not consider that it requires any additional information. As such, we formally close the hearing by way of this minute, on 24 December 2019. The Panel will now undertake its deliberations and prepare its recommendation report.
5. As per the Panel's previous minutes, any correspondence with the Commissioners should be directed to the Hearing Administrator, at KCDC in the first instance. Email: [Liana.Cook-Auckram@kapiticoast.govt.nz](mailto:Liana.Cook-Auckram@kapiticoast.govt.nz)
