Record of conversation with Te Rangimarie – Te Ati Awa Ki Whakarongotai

---

I phoned Te Rangimarie to discuss the provisions of Variation 2 and to confirm Te Ati Awa was still satisfied with the wording of Policy 5.5A.

Te Rangimarie confirmed the wording was the same as that they had requested and on that basis were happy. We also discussed the likelihood of future plan changes to better give effect to Objective 1.0 of the PDP following future work on an Iwi Management Plan.
