## PRIVACY INFORMATION

The information you have provided on this form is required so that your building consent application can be processed under the Building Act 2004. The Council collates statistics relating to issued building consents and has a statutory obligation to forward these regularly to Statistics New Zealand. The Council stores the information on a public register, which must be supplied (as previously determined by the Ombudsman) to whoever requests the information.  
Under the Privacy Act 1993 you have the right to see and correct personal information the Council holds about you.

## PART 2 – PROJECT

### GENERAL INFORMATION

Description of the building work (*provide sufficient description to enable full understanding of the scope of the work*).

		Yes	No
Has a pre-application meeting been attended?	If yes, number:	<input type="checkbox"/>	<input type="checkbox"/>
Will the building work result in a change of use of any part of the building?		<input type="checkbox"/>	<input type="checkbox"/>
If yes, provide details of the new use:			
Intended life of the building stated in years, only if intended to be less than 50 years old			
List building consents previously issued for the project ( <i>if any</i> ). List who issued the consent, the date of issue and the consent number.			
Estimated value of the building work on which the building levy will be calculated ( <i>including goods and services tax</i> ) [state estimated value as defined in section 7 of the Building Act 2004].

**Notes:**

**PART 6 – Send to Fire and Emergency New Zealand (FENZ)**

**Yes No**

Is the building of a type defined in the Fire Service Act 1975, section 21A; do any of the following apply? (FENZ review of the plans are generally required for these buildings)

- gatherings of 100 or more people for any purpose
- providing employment facilities for 10 or more people
- providing accommodation for more than five people (other than in three or less household units)
- sorting or processing hazardous substances in quantities exceeding the prescribed minimum amounts
- providing early childhood facilities (other than in a household unit)
- providing nursing, medical or geriatric care (other than in a household unit)
- providing specialist care for persons with disabilities (other than in a household unit)
- providing accommodation for persons under lawful detention (other than persons subject to home detention).

Do any of the following fully apply to the building work proposed? (If so the FENZ review may not be required even if the building is of a type defined in the Fire Service Act 1975, Section 21A)

Household units separated vertically from other fire cells, each with independent and direct egress to a safe place outside the building

Outbuilding or ancillary building
