

OIR: 2526/258

30 January 2026

Tēnā koe ,

Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)

Thank you for your email of 20 January 2026 requesting the following information:

- Provide the rate revenue (exclusive of GST) from your various property categories from the general rate / uniform annual general charge and targeted rates (not including water and wastewater).***

Two tables are provided below, completion of which would be very much appreciated. We have used the first character property categories from the Rating Valuation Rules to make up these tables. However, if your council reports use a different or more simplified framework (for example commercial/industrial, residential, small holdings/lifestyle, farmland) we would be happy if you were to modify the tables to that end.

The figures below are for KCDC rates only and exclude Greater Wellington Regional Council rates that we collect on their behalf. It is also exclusive of water, wastewater and GST as requested.

2. ***We are interested in the extent to which your council utilises uniform annual general charges.***

We would appreciate it if you would advise the percentage of total rate revenue allocated as uniform annual charges, whether general or targeted, in terms of the calculation required by section 21 of the Local Government (Rating) Act 2002.

Report on 30% Cap (Section 21 LGRA)	
Uniform Rates as a Percentage of Total Rates	0%

KCDC does not assess a uniform annual general charge.
