Q8. **State whether you are** a person representing a relevant aspect of the public interest

Q9. **Explain the grounds for saying you come within this category.**

I am chairperson of Low Carbon Kāpiti. The aspect of the public interest we represent is concern about the climate crisis and local solutions to it.

Q10. **I am providing a further submission regarding:** Cancer Society of NZ (Wellington Division)

Q11. **Submission number of the original submission:** S073

Q12. **My further submission is:**

We support the submission in whole regarding ensuring there is adequate and increasing tree cover as part of urban intensification.

Q13. **Particular parts of the submission I support/oppose are:**

We support all parts of their submission.

Q14. **The reasons for my support/opposition are:**

Our reason for support is the carbon sequestration benefit of urban trees and the climate change adaptation benefit of additional shade. Tree cover will also encourage people to use active transport, which has emissions reduction benefit. LCK has a position on urban trees policy which you can find here: <https://lowcarbonkapiti.org.nz/urban-trees-campaign/>
