

13 May 2022

I refer to your information request we received on 4 May 2022 for the following:

 How many instances in KCDC facilities have fallen into the 'security issues' category in the last 12 months? And if any, were they to do with Covid mandates?

There were 105 reported incidents across Council facilities in the last 12 months which were related to aggressive/concerning or inappropriate behaviour by members of the public. It is difficult to ascertain how many of these were directly associated with the Covid mandates, but 10 were specifically related to Covid (vaccine passes or mask wearing).

• What is the security guard, for example, the one I often see at Otaki Pool, meant to do and in what kind of 'issues'?

The security guard is there primarily as a deterrent. The security guard is expected to assist staff before, during and following an incident.

 How many guards are being employed across all KCDC facilities and what is the cost of this?

From 3 December 2021 until now, static security guards have been deployed as follows:

Facility	Number of Hours
Civic Building	40 hours
Paraparaumu Library	54 hours
Waikanae Library and Service Centre	46 hours
Ōtaki Library and Service Centre	48 hours
Coastlands Aquatic Centre	49 hours
Ōtaki Pool	49 hours
Total	286 hours

The hourly rate is \$35 + GST, which totals \$10,010 + GST per week for the cost of this service.

In addition for the period 3 December 2021 - 20 March 2022 a guard was stationed at the Waikanae Pool for 56 hours per week.

The cost for Waikanae Pool for the period 3 December 2021-20 March 2022 was \$1,960 + GST per week for 15 weeks.
