

KAPITI COAST DISTRICT COUNCIL

Electing the Mayor

Gavin WELSH

My principal place of residence is in the Kapiti Coast District Council area.

Kapiti needs strong leadership.

As we venture into an exciting new chapter of our district's future, we need a Mayor with vision, energy, and experience who can harness Council's

focus and deliver great results.

As Chair overseeing corporate business and finance, I have delivered:

The lowest rates increase in KCDC history.

10% reduction of projected net-debt.

Economic growth, job creation, increased visitors and boosted tourism.

Open access to democracy using digital tools, e.g. live-streamed meetings, upgraded website, and Facebook.

As Mayor, I will lead a disciplined, forward-focussed Council that will:

Build a strong local economy.

Keep rates affordable and control council expenditure.

Advocate for appropriate health services.

Adopt age-friendly initiatives.

Promote youth employment.

Promote tourism and major events.

Improve connectivity and get traffic flowing.

Build fit-for-purpose infrastructure.

With your support, we can build an exciting future.
