MATTERS UNDER ACTION REGISTER  
February 2015**

<b>Matters Under Action – from 21 October &amp; 2 December meeting</b>	
<b>Raised Item</b>	<b>Progress</b>
<b>Waikanae Fire Brigade requests:</b>	
<ul style="list-style-type: none"> <li>• the Freedom Camping sign, which was encroaching on the helicopter landing area, needed to be moved closer to the pump shed door</li> </ul>	This would be investigated but up until now has not been identified as causing a problem for many years.
<ul style="list-style-type: none"> <li>• to help Pilots, a landing diamond needed to be installed on the landing area</li> </ul>	This will be investigated as to how this can be achieved in an already line marked carpark. An option could be to use the adjacent park open space with emergency services issued with a key to allow vehicle access next to the helicopter.
<b>Further discussions from last meeting:</b>	
<b>Waikanae Station</b> to be left to lie on the table until the next meeting to allow Board Members to view the site.	Board Members to report back
Allocated car parks for car poolers around the train station	<i>GWRC commented</i> - The car pooling spaces were installed in an attempt to give those commuters from further afield (Ōtaki/Levin) or indeed anyone who shares a car journey to the station to catch the train. Anyone can use the spaces, providing there are at least 2 people in the car.
