

# INTENTION TO PREPARE AND REVIEW RESERVE MANAGEMENT PLANS

The Kāpiti Coast District Council is notifying its intention to prepare an omnibus reserve management plan, which sets out how the parks and reserves administered by the Council are managed. We invite feedback from the community on how our reserves are used, managed, protected and developed.

The management plan will include a general policy section relevant to all parks and open space reserves in the district, as well as provisions specific to each individual reserve.

## Further information is available:

- at the Council's Service Centre, 175 Rimu Road, Paraparaumu
- on our website: <https://www.kapiticoast.govt.nz/council/forms-documents/council-strategies-and-plans/reserve-management-plans/>
