Future Waikanae Beach Vision and Action Plan	An overview of the first draft has been shared with the Waikanae Beach working group. The report is expected to be finalised by mid September.
Develop the Waikanae Town Centre plan, including considerations from the effect of the expressway.	<p><i>Council's Construction Manager Town Centres advised:</i></p> <p>Communications in regards to the changes to car parking in the Waikanae town centre to make it easier for people to park and access businesses and services located in the area have begun. The changes are being put in place in response to community feedback received through the Kāpiti Coast District Council's Waikanae town centre transformation project and have been endorsed by the Waikanae Community Board and the Council. From 11 September 2017 it will be an offence under the Kāpiti Coast District Council Traffic Bylaw for any person to exceed the time restrictions. Council compliance officers will maintain a regular presence in the Waikanae town centre to help motorists comply with the new time allocations.</p> <p>Transforming and improving the Waikanae town centre Our aim is to create a connected, accessible, diverse and thriving town centre that has a sense of place and is an attractive place for people to do business, invest and spend time. While it is disappointing that the Council has been unable to seize the opportunity to build a shared gallery and library facility at this time, we remain committed to transforming and improving the Waikanae town centre.</p> <p>This financial year approximately \$600,000 has been committed to advance design work for the upgrade of Frater Lane and better integrating the Whakarongotai Marae with Mahara Place. This involves paving, planting and improved street lighting and there will be opportunities later this year for the Community Board and the Waikanae community to influence what this looks like.</p>
The closure of the Waikanae Police Base	The Mayor has had his regular meeting with the Police. A verbal update will be provided at the 5 September 2017 meeting.
Cleaning up/painting of Waikanae Bridge (over the Waikanae River)	Destination Waikanae have completed paintings on the abutments of the rail bridge.
Signage	Council staff provided information to the Board regarding various options.
Waikanae Beach Hall	The work that was scheduled in the 2016/2017 year has been completed and Council has set aside \$10,000 for the 2017/18 year for upgrade work.
Reikorangi Local Outcomes Process	<p>It was agreed that Mr Seamark would be a representative from the Waikanae Community Board on the Reikorangi Outcomes Statement working group.</p> <p>Council staff have met with members of the group twice and offered advice and encouraged the group to link with the Waikanae Community Board. There is an open offer for the group to come back for any further advice.</p>
Freedom Camping	<p>The Tutere Street freedom carpark minor upgrade works have been completed.</p> <p>The area is being monitored and enforcement action being taken when appropriate.</p>
