PUBLIC SPEAKING

Mr Ed Isaac and Mr Brian Cardiff spoke on behalf of the Waikanae Golf Club. They referred to the parcel of land at 99 Te Moana Road which had been acquired by the New Zealand Transport Agency (NZTA) under the Public Works Act 1981 (the Act). This land had historically been used as overflow parking for the golf club and for vehicular access to the golf course and the neighbouring property. Mr Isaac noted that under s40(1) of the Act, NZTA can offer the land to local authorities if it is deemed the land has utility for a public good. Mr Isaac said the club believed the land could be classified as such due to safety issues that would be created if the land were disposed of to a third party. These issues include traffic congestion, hazardous conditions for golfers having to park on Te Moana Road, and lack of access to the golf course for emergency vehicles. The speakers urged the Subcommittee to consult with NZTA with a view to designating the land as having utility for public good, and thus allowing its current use to continue.

Mr Richard Laurenson spoke on behalf of the RNR Trust who own the land at 33 Old Coach Road North, Ōtaki. He said the Trust wishes to subdivide the land from the existing two lots to create a third lot as an Esplanade Reserve, to be vested with the Council, and proposes the Council pay for the subdivision costs of one parcel of the land.
