

KAPITI COAST DISTRICT COUNCIL

Electing the Mayor

Gwynn COMPTON

Independent

My principal place of residence is in the Kapiti Coast District Council area. I am also standing for Districtwide Councillor.

Kāpiti needs fresh leadership and a community-led approach to deal with the significant challenges and exciting opportunities ahead.

Transmission Gully's opening is looming and we're already struggling to deal with the growth it's bringing. We can't stop people wanting to move here, but with smart thinking we can make that growth work for us so Kāpiti remains the best place in New Zealand to live, work, and raise a family- because that's why all of us, including my family, made Kāpiti our home. I'm focussed on addressing Kāpiti's housing crisis; being a relentless advocate to get government to fund the infrastructure we need - such as extending and improving commuter rail; supporting local businesses to grow our economy and deliver more jobs with higher wages; on having a Council that's efficiently and effectively run; and, most importantly, on putting the community's voice back at the heart of everything Council does.
