Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)

Thank you for your email of **23 June 2026** requesting the following information:

I would be very interested in the opinions/ comments/ reports provided by (a) the Police and (b) Regional Health for the Council's licensing committee for each of the past ten licence applications, as it is clear that they are a vital source of endorsement when such decisions are considered. Could this be regarded as an OIA request, since clearly neither personal or commercial barriers to releasing the information would apply here?

The information you requested is attached for the following 10 applications.
