

# 2022/2023

## Margaret Road – safety improvements and options for the village (2022/2023)

How Margaret Road functions would be looked at after changes have been made to the intersection at Raumati Road/Rosetta Road/Matatua Road. That way we can assess what improvements might be needed once traffic flow changes have settled down after the roundabout is in place.

One of the suggestions has been to make Margaret Road one-way, we think there are probably other options as well so would like to know what you think. This work would be subject to community input and securing funding from NZTA and Council.

**Tell us how you use Margaret Road and any issues you have so we can understand and address these.**

**What ideas do you have for how Margaret Road could look in the future?**

**Let us know your thoughts. There will be further opportunities to have your say as the project progresses.**

**Timing:** Subject to funding changes to Margaret Road could take place in the 2022/2023 financial year.

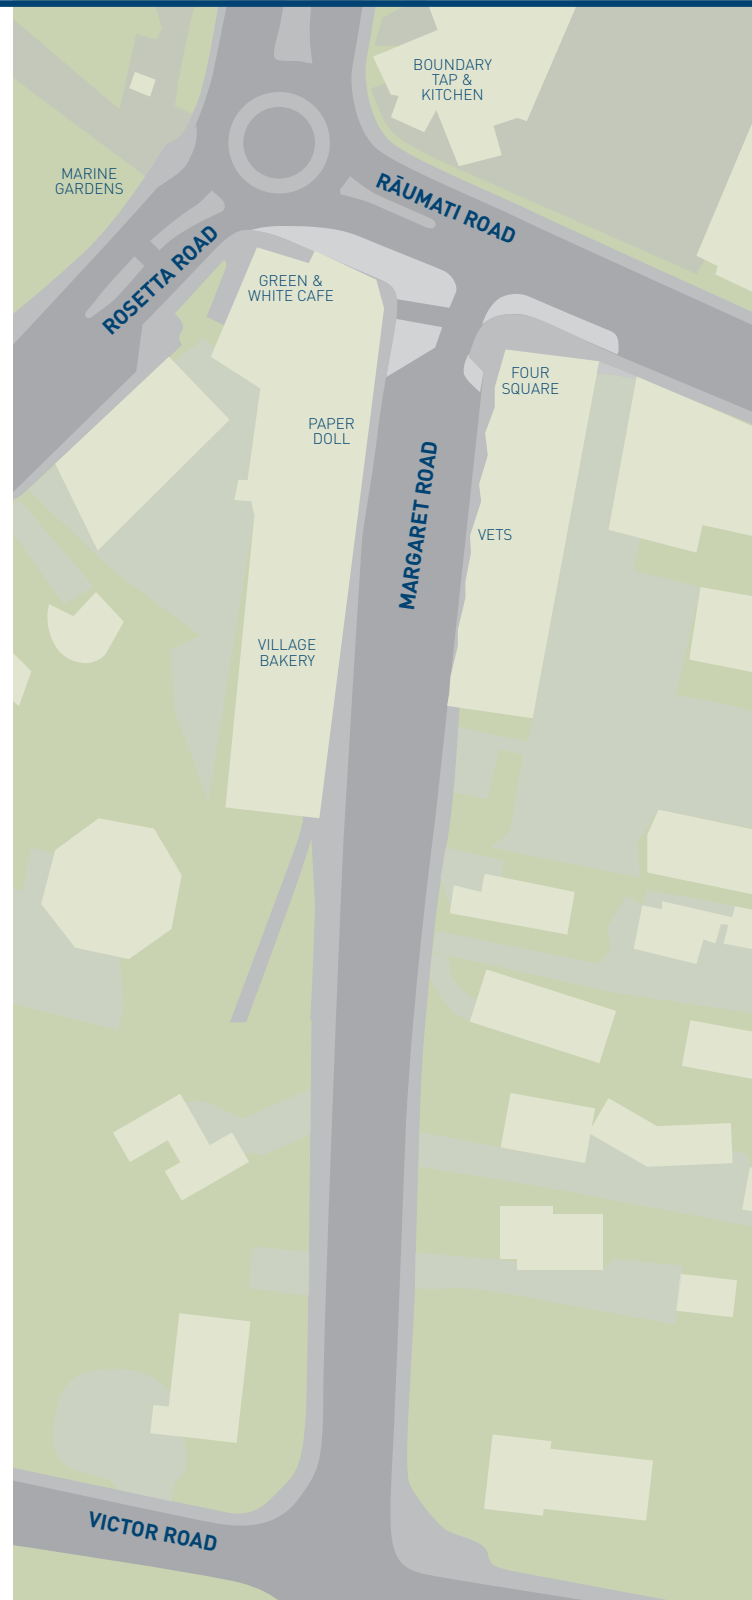

FIGURE 1: Blank canvas, give us your thoughts.

FIGURE 2: Margaret Road becomes one-way.

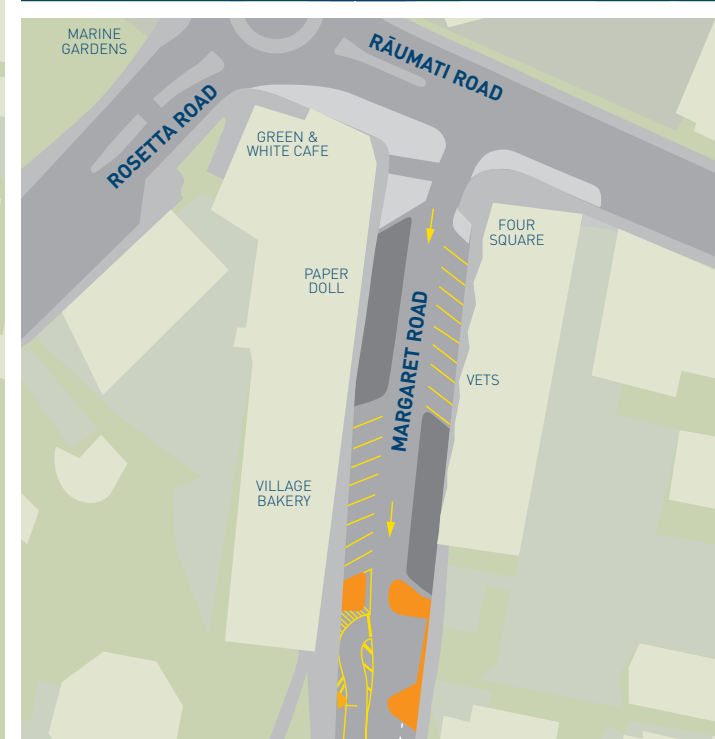

FIGURE 3: Margaret Road is one-way with reduced parking and new seating areas.

- Improved crossing point
- Possible seating area
- Reduced lane width and built out kerbs
- New road markings
