

MEMO

TO: Elected Members
CC: Stephen McArthur, Group Manager Strategy and Partnerships
FROM: Vincent Fallon, Acting Manager Corporate Planning and Reporting
DATE: 19 June 2014
SUBJECT: Appendix 3 of report SP-14-1214

BACKGROUND

- 1 The Council resolved at the 5 June Council meeting to defer consideration of Appendix 3 of report SP-14-1214 to the Council meeting on 19 June. Suggested amendments to some draft responses, based on feedback from Elected Members at the 5 June Council meeting, are outlined in Appendix One to this Memo.
- 2 Elected members were provided with the option to provide editorial changes on draft responses to submissions to Vincent Fallon prior to the 19 June meeting for consideration at that meeting. One Councillor provided feedback to Vincent Fallon on the draft responses to submissions. That feedback has been circulated to all Councillors so they are aware of the Councillor's comments and issues regarding submissions and have time to think about them ahead of the 19 June Council meeting.
- 3 There was a wide range of submissions on the 2014/15 Draft Annual Plan. Appendix 3 to SP-14-1214 provides draft responses to the issues raised in each summarised submission. *(Crs are reminded to bring their Appendix 3 folders with them to the 19 June meeting.)*
- 4 The issues are presented in Activity groupings and the Council is asked to consider and approve/amend the draft responses to the submitter. Where relevant, the text in the Final Annual Plan will be changed in accordance with the Council's decisions about how particular issues are addressed and commented on in the Final responses.
- 5 Note: As required, minor typographical corrections have been made to some draft responses.

RECOMMENDATION

- 6 That the Council consider each summarised item in Appendix 3 to SP-14-1214 and either approve or amend the draft responses provided.
