UPDATE: CR PENNY GAYLOR, GREATER WELLINGTON REGIONAL COUNCIL

Cr Penny Gaylor introduced Ms Penny Fairbrother from Greater Wellington Regional Council (GWRC), who spoke to, and answered members questions about, a report that had been circulated to members 'Are we meeting our environmental outcomes in the Kāpiti Coast catchment?'. This Report had been recently presented at the 11 September 2018 meeting of the GWRC Environment Committee.

There was discussion about the whitua process, which is scheduled to start in 2019, being an appropriate space to address these issues. The report 'Are we meeting our environmental outcomes in the Kāpiti Coast catchment?' is a precursor to that process.

It was highlighted that Wellington Waste Management Committee has recommended to GWRC that the whitua process should include monitoring and management of waste on rural farms in relation to its effects on water quality.

There was discussion about the Kapiti Coast District being the only District in the Wellington Region which had no water restrictions in place during the recent and very dry summer.

GWRC would provide monitoring data for the Whareroa stream to Mr Edwards, Chair of the Paekākāriki Community Board. Information from the report would be fed back to the various environmental groups in the Kāpiti Coast District. Information on ground water zones would be provided to Jocelyn Provanov, Chair of the Waikanae Community Board.

Any information identifying gaps in the report would be welcomed by GWRC in preparation for the work involved in the whitua process.

Cr Gaylor spoke in reference to 'Submission to Greater Wellington Regional Council on initial representation proposal for the 2019 triennial elections'. Cr Gaylor explained the post the first paper to GWRC on this topic Cr Gaylor had requested staff look at changing boundaries in a way that would go towards an option equivalent to what Porirua/Tawa Constituency. Cr Gaylor had also spoken to the inclusion of an option that included an increase to 14 Regional Councillors with the additional proposed member being for the Kāpiti Coast. Cr Gaylor had argued during debate at GWRC that work of the Crs representing Porirua and the Kāpiti Coast often involves representing very different interests.

The Mayor asked for clarification as to how the proposal to drop the word 'Coast' from the 'Kāpiti Coast' had been reached. There are marketing, economic and lifestyle factors associated with the name Kāpiti Coast.

The meeting adjourned at 10.52am and resumed at 10.59am.

PRESENTATION: PAEKĀKĀRIKI WIND TURBINE PROJECT

Graham Coe, Chair of Paekākāriki Community Trust and Graham Mills, consultant on wind turbines, spoke to a presentation. A paper had been circulated Informing Council about the Paekakariki wind power initiative. Paekākāriki Community Trust was seeking support and advice from the Council for the initiative and with regard to engagement, for example, with NZTA. The Trust was not seeking funding from Council.

It was highlighted that application could be made by The Trust to the Provincial Growth Fund. Wide ranging support from the community is key to a successful application and Council could support an application. The Group Manager Infrastructure Services offered to provide advice to the Trust in relationship to the Public Works Act.

Cr Benton joined the meeting at 11.13am.

KCDC 18/09/309
