**Request for Information under the Local Government and Official Information and Meetings Act 1987 (the Act) (the LGOIMA)**

Thank you for your email of 24 May 2023 requesting the following information:

- 1. Can you please tell me the number of potholes that your council has fixed on your roading network, broken down by each calendar year, for the period 2012 to 2023.***

Data for potholes is captured in the 'Road assessment and maintenance management system' (RAMM) which is maintained by NZTA – Waka Kotahi. The number of potholes that Kāpiti Coast District Council fixed in its roading network, is broken down by each calendar year, for the period 2012 to 2023 as shown below:

Year	Potholes on KCDC Roading Network	Notes
2012	222	12 Month Period
2013	235	12 Month Period
2014	263	12 Month Period
2015	397	12 Month Period
2016	294	12 Month Period
2017	282	12 Month Period
2018	356	12 Month Period
2019	409	12 Month Period
2020	289	12 Month Period
2021	307	12 Month Period
2022	400	12 Month Period
2023	124	Part Year (Jan to Mid-May)

*Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.*
