

# Summer stays local

Summer provides the perfect time for Kāpiti kids to visit, explore, experience, and be safe in our wonderful backyard. And they're spoilt for choice!

Colour in each bubble once you've completed the activity.

Fly a kite at the beach or a park.

Climb to the top of the witch's hat in Maclean Park, Paraparaumu Beach.

Join a summer reading programme at our libraries.

Go to a playground you've never been to before and explore.

Zoom down the hydrosides at Coastlands Aquatic Centre and Waikanae Pool.

Walk through the forest at the Barry Hadfield Nikau Reserve.

Take out a book from one of our libraries.

Shoot a basketball at one of our many playgrounds that have hoops.

Build a driftwood fort at the beach.

Get wet at one (or both!) of our splashpads.

**KĀPITI KIDS SUMMER ACTIVITIES**

Ride your bike along one of our cycle trails.

Count shells at the beach, but don't take more than you carry!

**SPLASH!** at one of our pools, with inflatable games between 1-4.30pm.

Dig for treasure at the beach.

Ride your bike really fast on a pump track found at some playgrounds.

Look for freshwater critters under rocks in the river.

Have a picnic at the beach but try not to get sand in your sandwiches!

Practice your road rules on the kids' mini road system at Aōtaki Street Park, Ōtaki.

Zip down a flying fox found at some of our parks.

Find the pirate ship at Tasman Road Reserve, Ōtaki, and set sail!

**Notes to Grown-Ups:** We trust that you'll make your own judgement about what is safe and suitable for the ability of your child.
