

KAPITI COAST DISTRICT COUNCIL
Paraparaumu-Raumati Community Board
Electing 4 Board Members

Guy BURNS

My principal place of residence is in the Paraparaumu-Raumati Community Board area.

A Kapiti Coaster for over 50 years, I have an excellent knowledge and understanding of Kapiti's issues and concerns. Currently, I'm Deputy Chair of the Paraparaumu Raumati Community

Board and have used my position to strongly advocate on behalf of the community.

My focus is on keeping costs down for ratepayers; a goal I have been actively carrying out for the last several years. Recently, I highlighted KCDC plans for borrowing money to invest in the risky financial market; this attention helped Council to adopt a more prudent strategy.

I will work towards an efficient Council that puts the public first, and will strive to reduce red tape, and unnecessary rules and regulations.

My vision is for a Council that delivers long-term sustainable core-services; satisfying the needs of a dynamic and growing community.
