

KAPITI COAST DISTRICT COUNCIL
Waikanae Ward
Electing 1 Councillor

Michael SCOTT

Independent

My principal place of residence is in the Waikanae Ward area.

I am a long term Waikanae resident, ratepayer and business owner, employing local Kapiti residents. Major issues for Waikanae include, a vibrant town centre and wider community, upgraded library and gallery, commuter parking pressures, connectivity within Waikanae - across the rail corridor and along Te Moana Road, access to education and employment, together with the effect of the expressway while balancing the need to maintain the uniqueness of the communities that make up Waikanae. A strong voice at the Council table, relying on experience & community networks is the best way to secure Waikanae's future and viability and get our share of Council resources. The challenge is creating Waikanae as a place people will continue to want to visit and work in, while balancing the needs of our growing population. Consultation, independence and community involvement are the key ingredients to obtaining viable solutions for the Waikanae Ward and its needs.
